Membership form (Afroeiperiode) 2020-2021

By signing this form, I accept a membership for the Afroeiperiode of A.R.S.R. 'Skadi'. I will pay the joining amount of 95 euros. Refund of this amount is in no way possible. An Afroeiperiode membership includes the following: use of the club's gym, ergo's, boat storage, all social activities, a hazing weekend (KISS-weekend) and free dinners every Thursday during the Afroeiperiode of 2020.

In this membership we provide the opportunity for students to experience the sport of rowing for a period of 6 weeks. Next to offering the practice of rowing, Skadi has a high social aspect. Skadi is not a 'normal' rowing society, but is run by, and for students. Every Tuesday there is a 'traditional' drink and every Thursday we have a drink with music. The best comparison can be made with a sports club with additional aspects of the typical fraternities and sororities from America. This should be an important aspect in weighing your membership decision. Beside the social obligations, we expect you to row at least twice a week for the length of the Afroeiperiode. Like mentioned, we also have a hazing weekend and at the end of the Afroeiperiode you need to prove your knowledge during an interview with the board of Skadi. The knowledge of Dutch is a benefit, but not compulsory. In case you do not speak any Dutch at all, we will provide you with translations where possible.

In case you do not want to continue your membership after this period of 6 weeks, you have to inform the Secretary of the board of Skadi of your decision before the 30th of September 2020. The corresponding e-mail address is secretaris@skadi.nl. In case you won't do this before the mentioned date, your membership will be automatically extended to a full year. You will receive an additional email about this during the second week of the Afroeiperiode.

By submitting your membership form and payment, you are agreeing to the following:

- I understand that rowing is undertaken at my own risk;
- Skadi accepts no liability for loss, theft and/or damage to personal property. It is your own responsibility to pay close attention to your belongings, or you can choose to hand them over to your coach;
- I conform that I do not suffer from any disability or medical condition which may render me unfit for strenuous exercise. I also conform that I am able to demonstrate the minimum swimming standards.
- In case the board decides you are unfit to responsibly practice rowing, or if you do not master the minimum swimming standards. Skadi is in its right to deny your application.

In case you are younger than 18, no alcoholic beverages will be served. If we find out you do consume alcoholic beverages, your membership will be denied. In case of violation of the above mentioned rules, your case will be handled according to the Statuten, the Huishoudelijk Reglement and the Reglement van Orde. These documents are available for insight upon request via the Secretary.

Even in case you resign your membership, no restitution of your contribution will be refunded.

Finally, I have read, understood, and agreed to the Skadi membership rules. I agree to my membership being stored electronically.
